TO : Agency Training Officers

SUBJECT: Tuition Advances for 1974 Spring Semester at Local Colleges and Universities

Agency employees requesting sponsorship for part-time academic training at local colleges or universities for the 1974 Spring Semester should follow the schedule outlined below, except for the Agency Off-Campus Program. For your planning purposes, a tentative list of courses to be offered in this Program is attached. A Headquarters Employee Bulletin will be published shortly, giving full details on the Program.

14 December 1973, Friday: Form 136, "Request for Training at Non-Agency Facility," is due in OTR/SRS/RG, Room 1036, Chamber of Commerce Building, if a tuition advance is desired. Requests received after this date will be handled on a reimbursement basis after approval by OTR and upon the submission of a tuition receipt and Form 264, "Request for Reimbursement." All reimbursements must be certified by the Office of Training Finance Officer.

7 January 1974, Monday: Tuition advances will be disbursed in Room 1A-07 Headquarters, between 1330 and 1530 hours. Accounting instructions will be given at this time. To prevent delays, Training Officers should ensure that all items on the Form 136 required to justify approval are completed, e.g., objective, cover status, approving signature, certification of funds, entrance-on-duty date, etc. (Also indicate whether employee is a graduate, undergraduate, or special student, and where applicable, resident or non-resident of State).

Questions on the above may be directed to OTR/SRS/RG, extension 2129.
